

Legendary Luxury. Unmatched Prestige.
Villa #66 at Crockfords Resorts World showcases the exceptional work
and craftsmanship of CADLUME.

Las Vegas, NV

Proud moment For Cadlume!

The beautifully finished Villa 66 @ Resorts World Las Vegas - a space we had the privilege of illuminating. Grateful to be part of bringing this elegant vision to life!

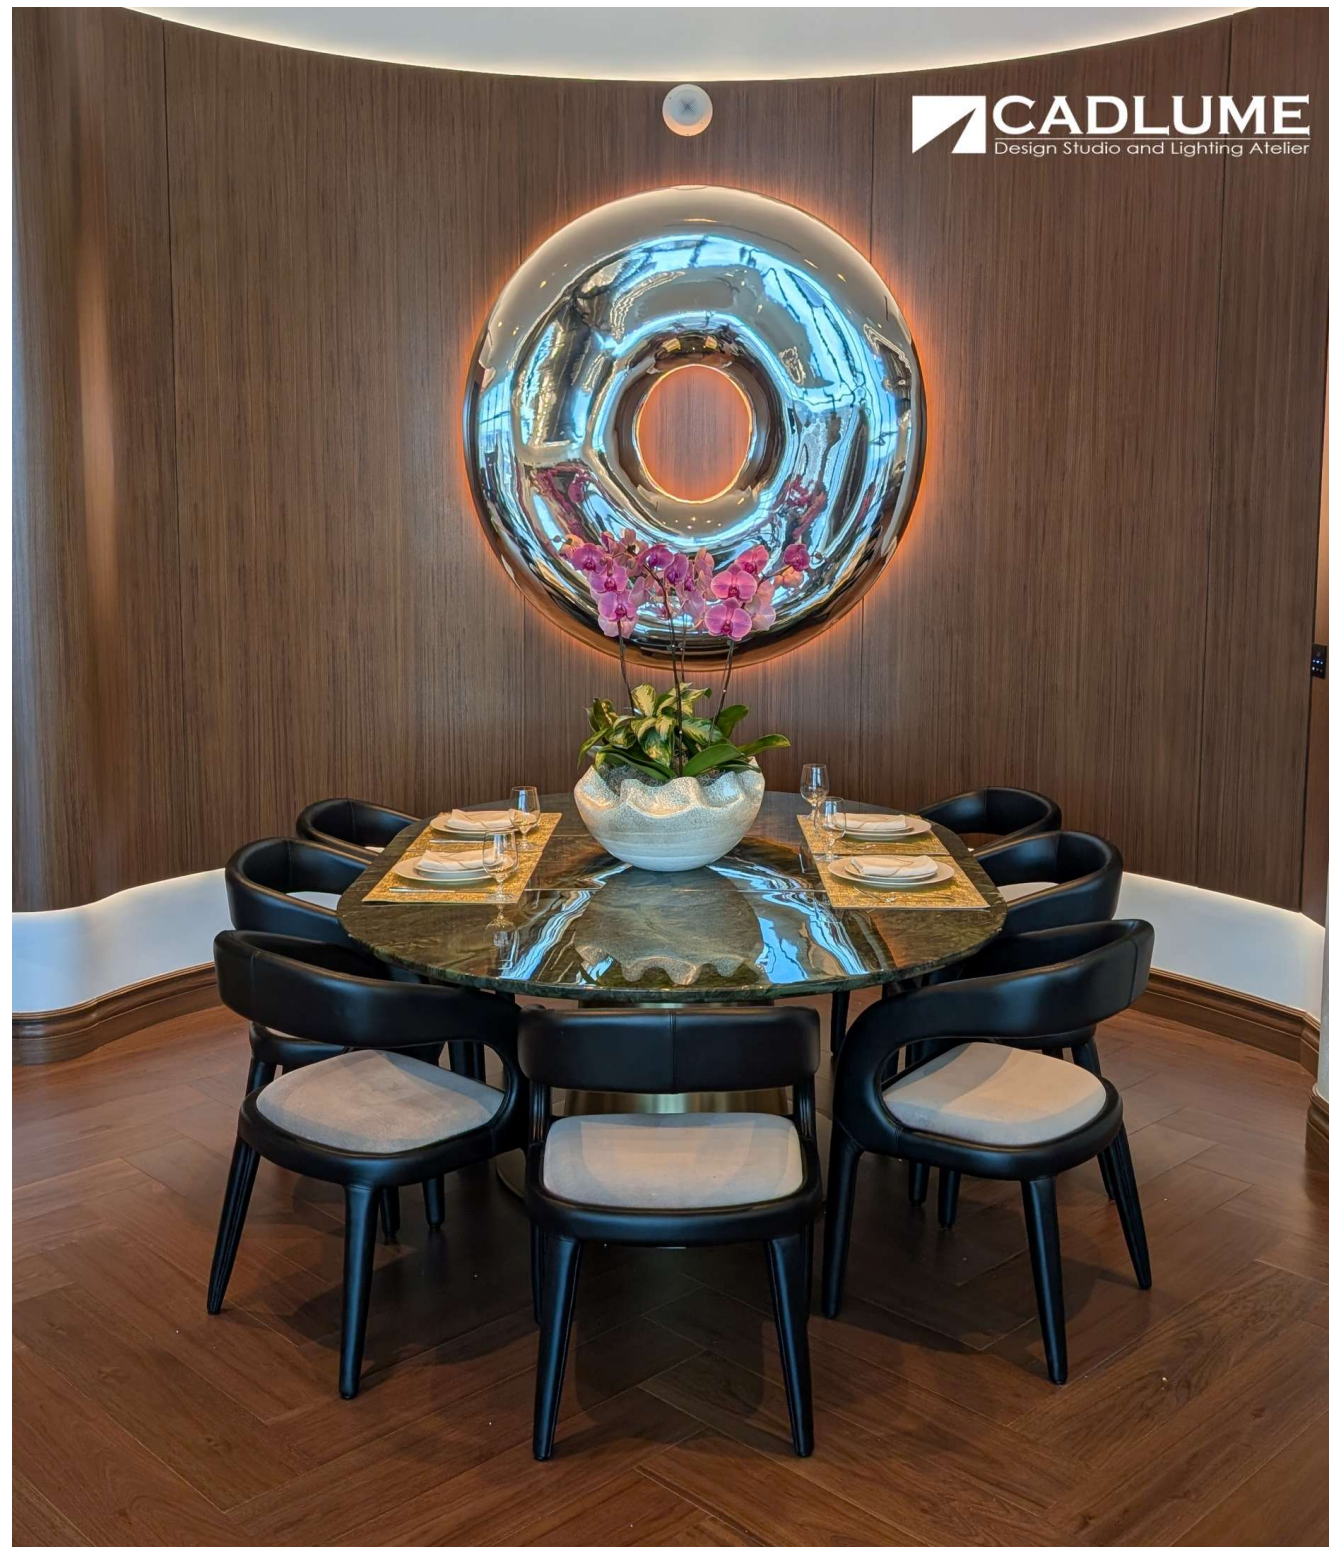

Crystal remains timeless...

CADLUME
Design Studio and Lighting Atelier

CADLUME'S 3D-printed light fixtures offer limitless design possibilities to enhance any space

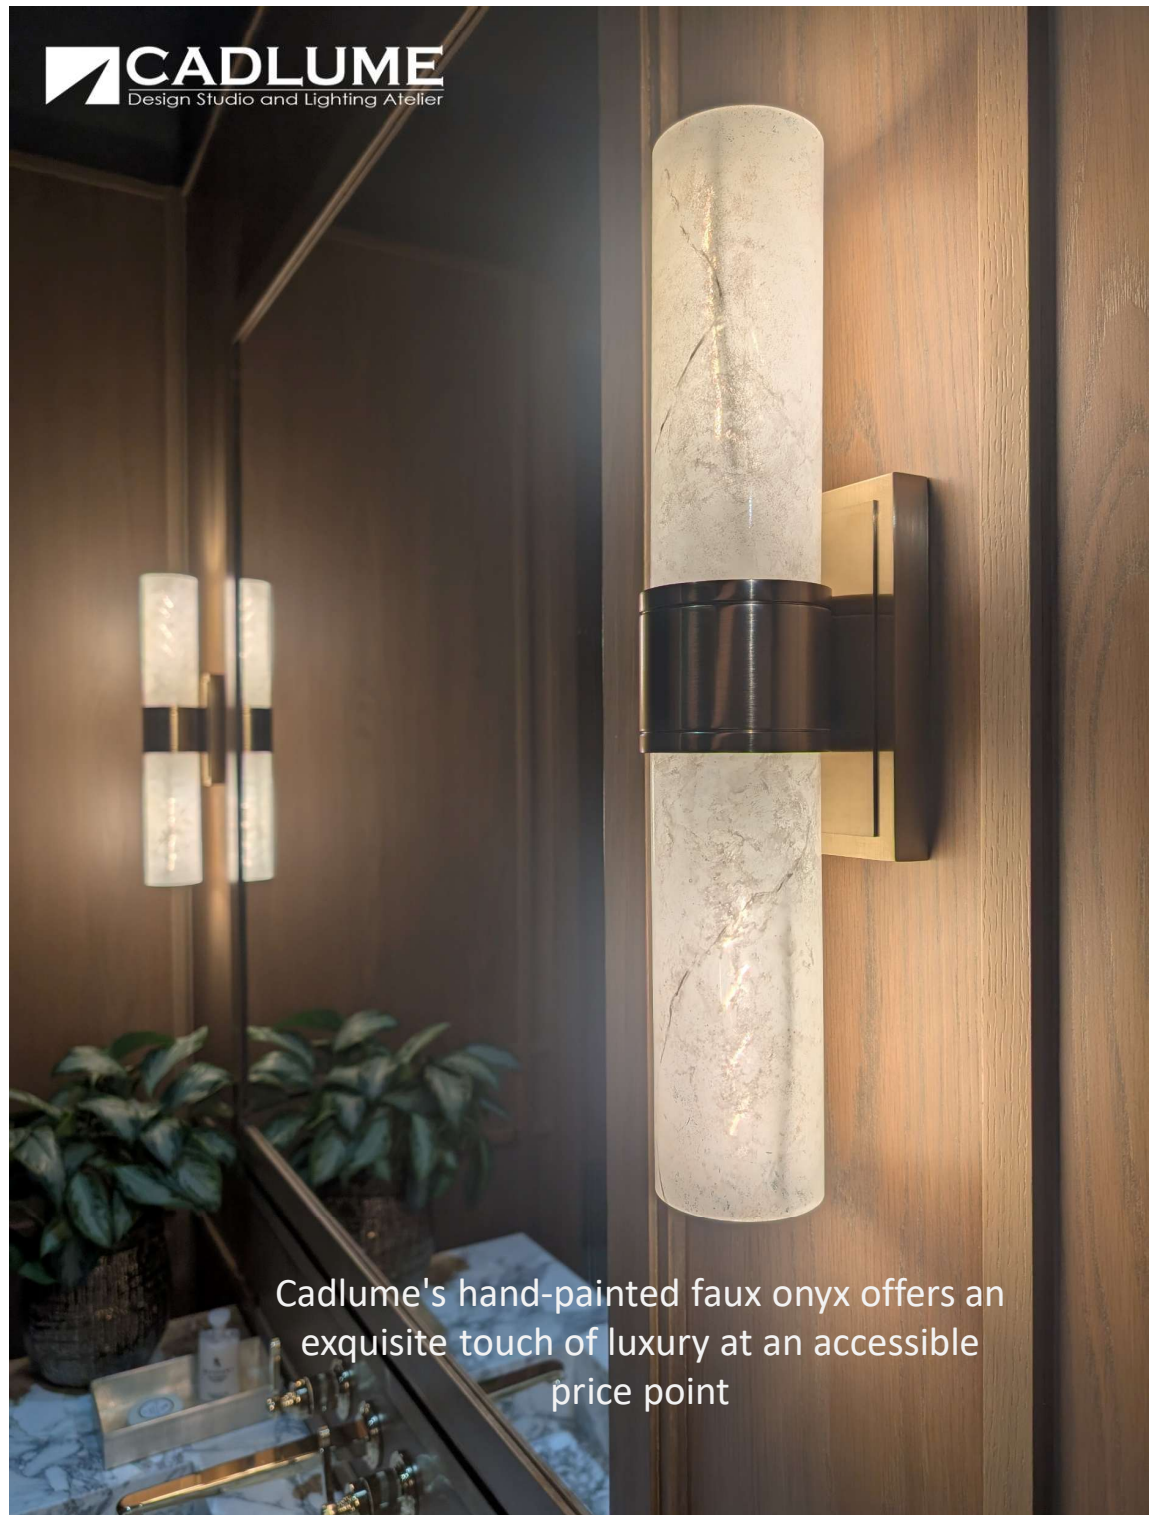

A hardwired table lamp showcasing triple crystal glass, designed with adjustable color temperature ranging from 2200K to 3000K

RGBW 12' tubes infuse any room with a sophisticated glow, seamlessly transforming the space into a stunning blend of elegance and innovation

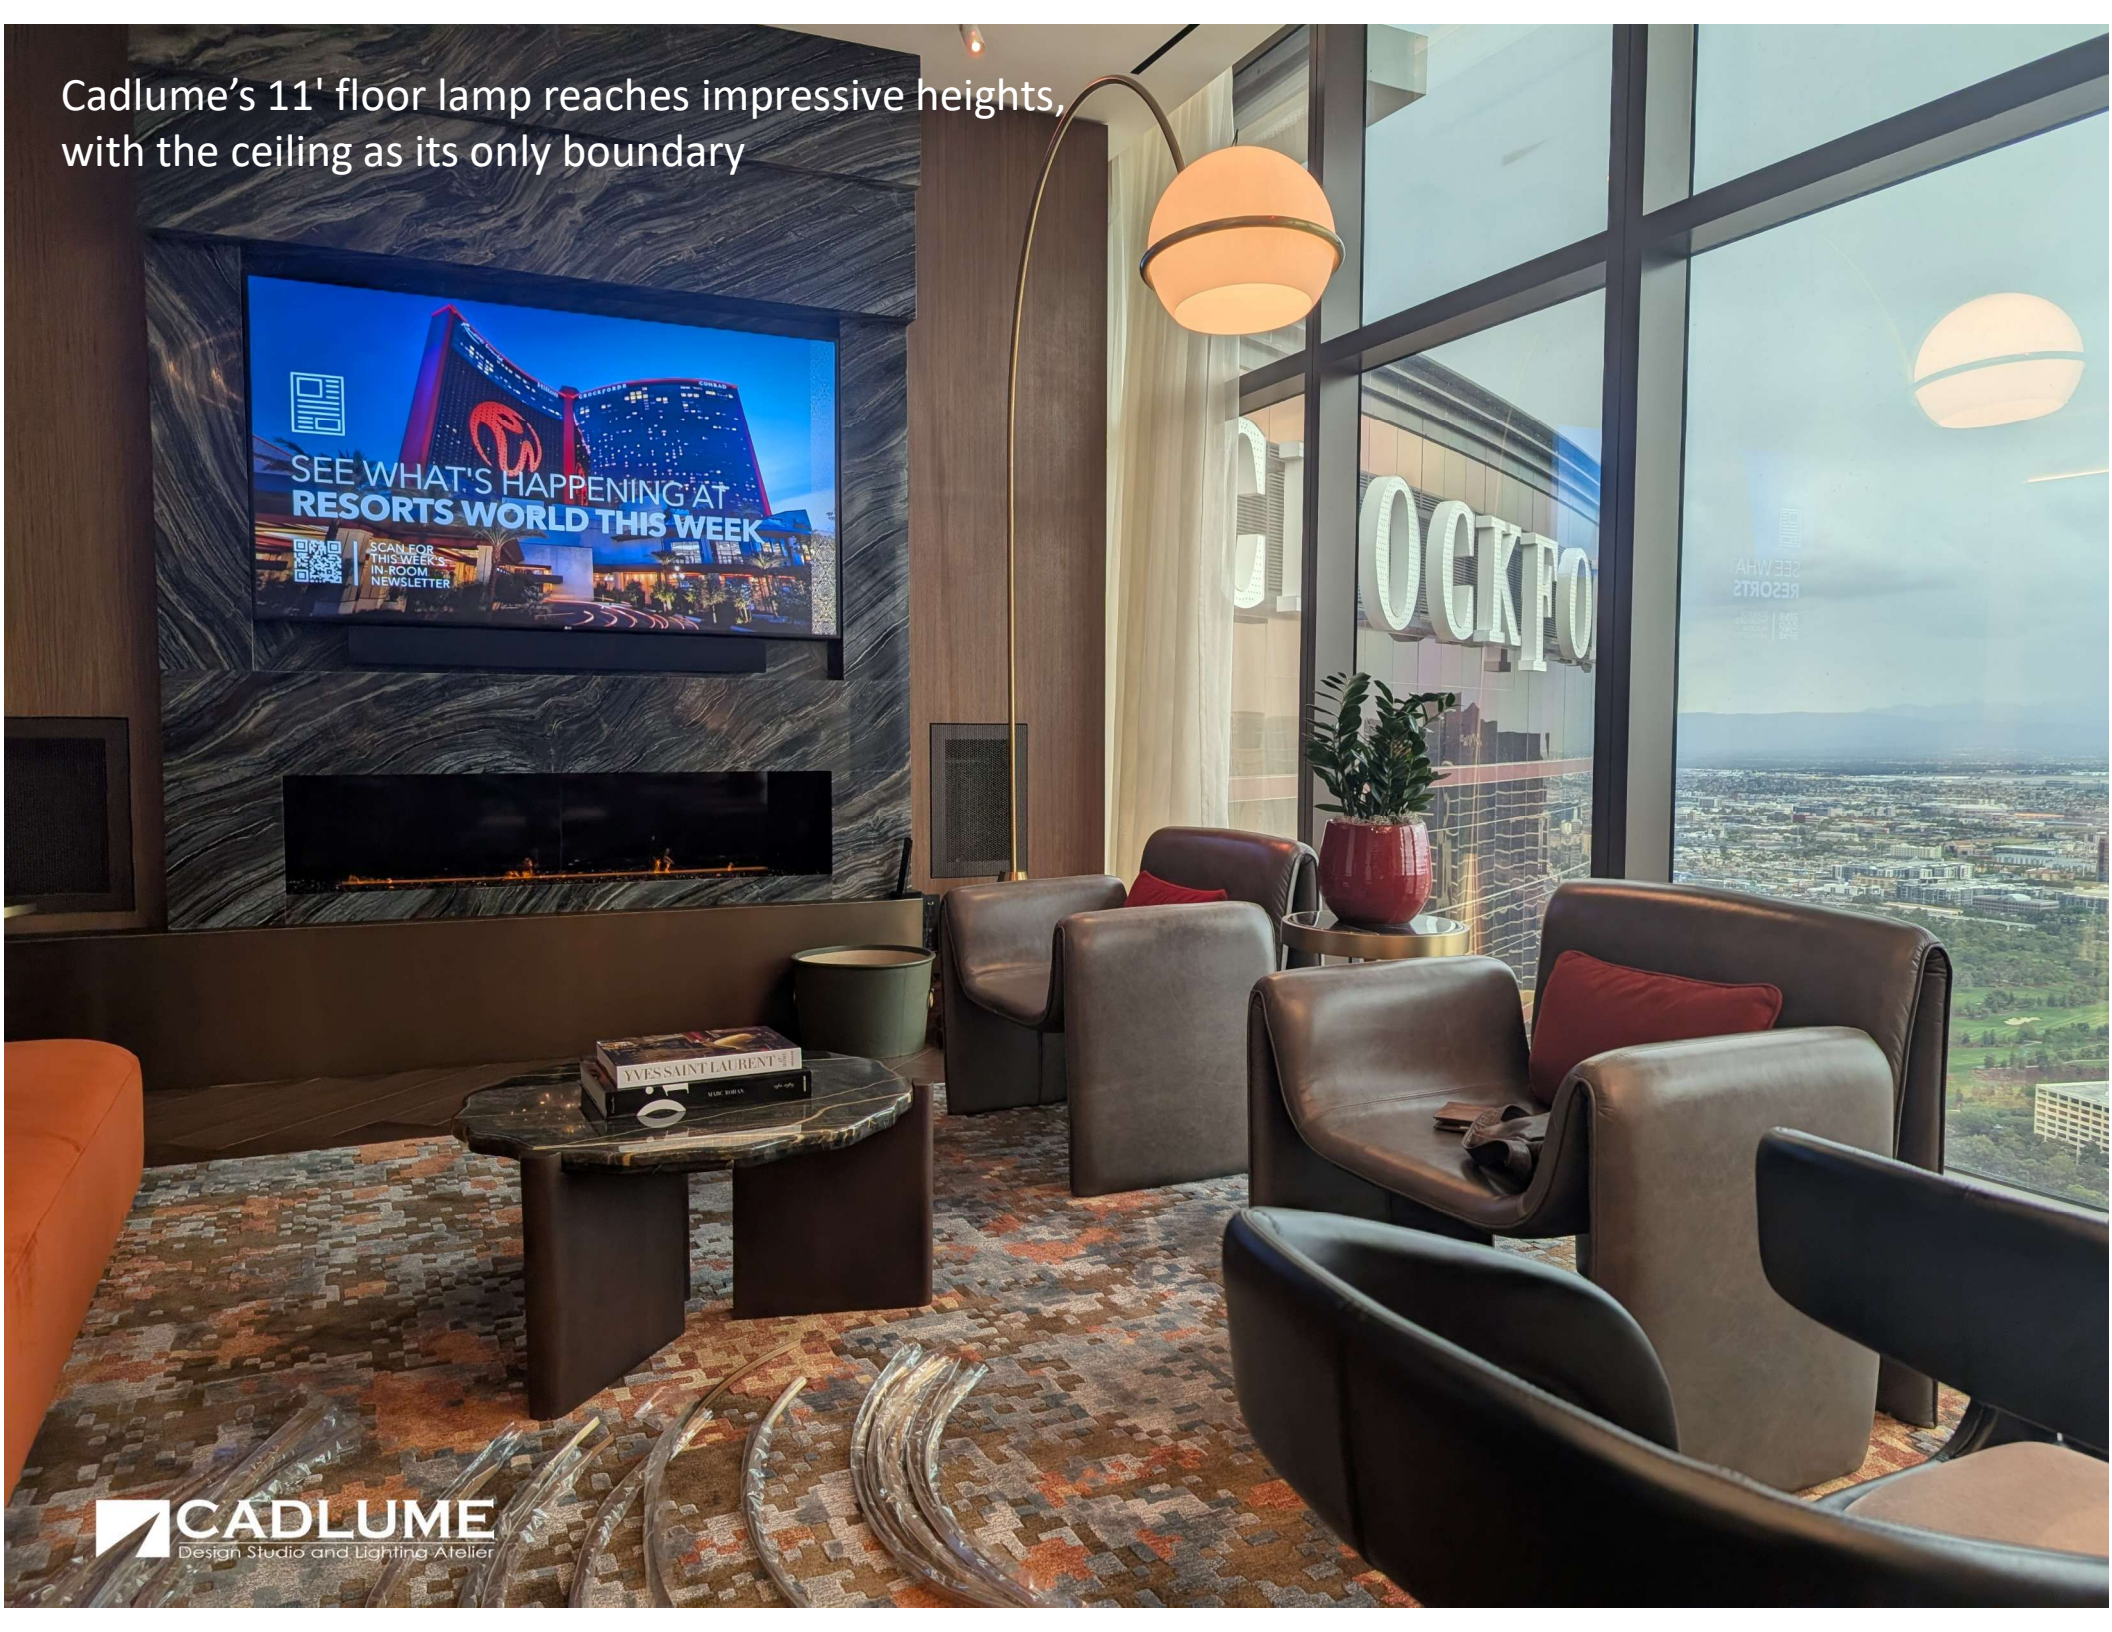

CADLUME
Design Studio and Lighting Atelier

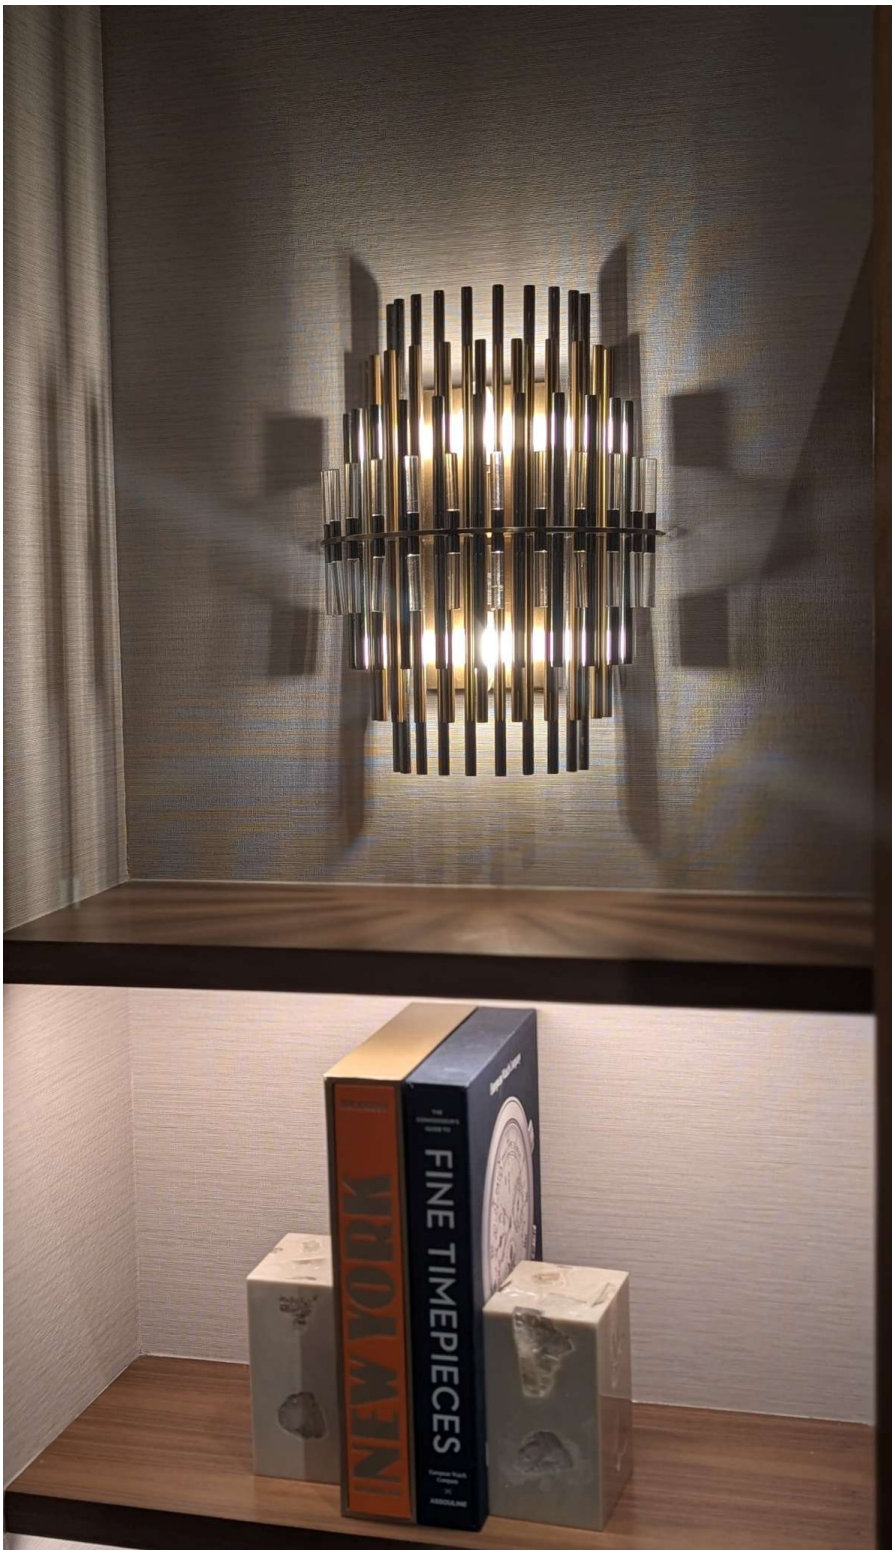

Cadlume's 11' floor lamp reaches impressive heights,
with the ceiling as its only boundary

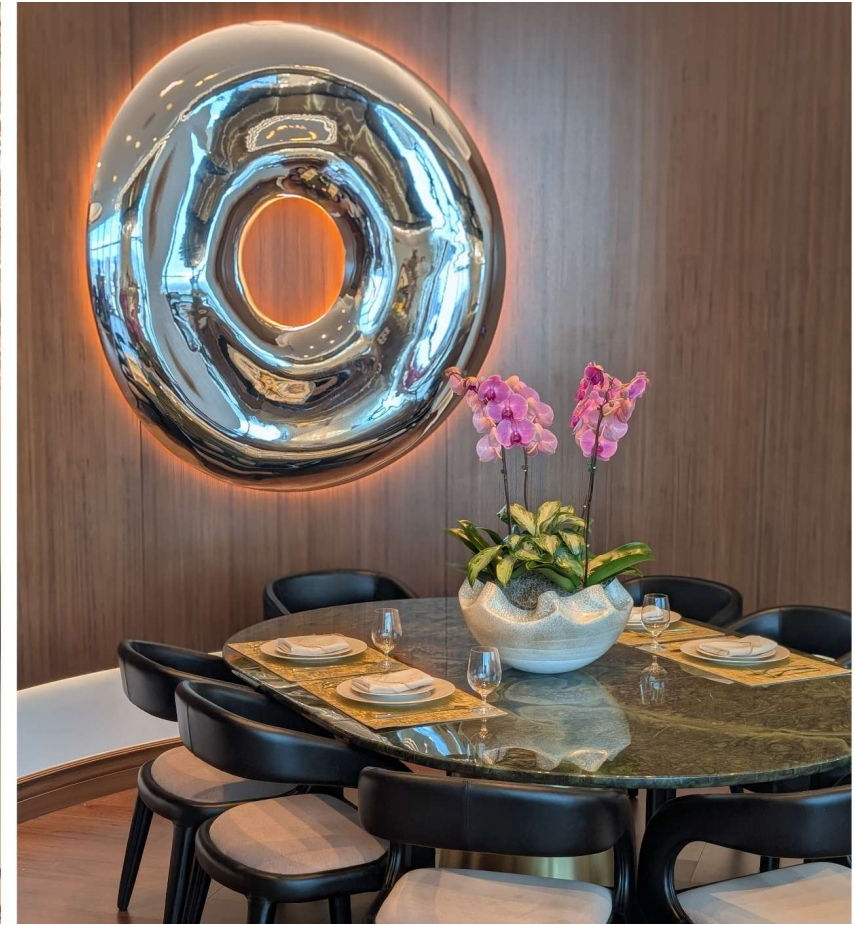

Cadlume's glass emits a warm amber glow, creating an inviting and elegant welcome light
